INTRODUCTION

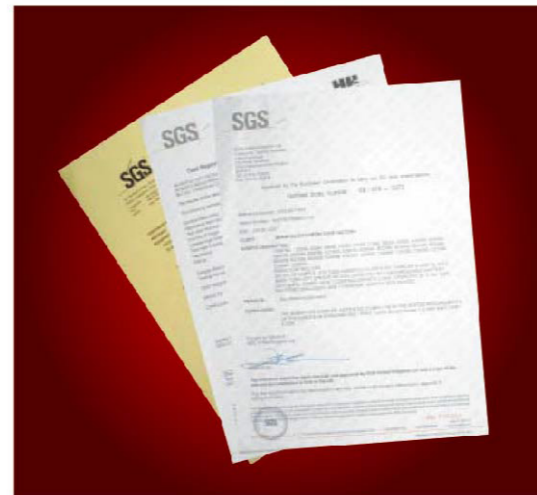

INTRODUCTION

Since our initial inception in 2002, HETAI TOYS has quickly become the world's leading Radio control Car Manufacturer. With our headquarters based in Beijing and our manufacturing plant based in Guangdong, China, we vertically integrated to produce high-quality, radio control, premium product at exceptional competitive prices. Our design, engineering, and product development teams working at our wholly-owned facility monitor the entire production process from start to finish.

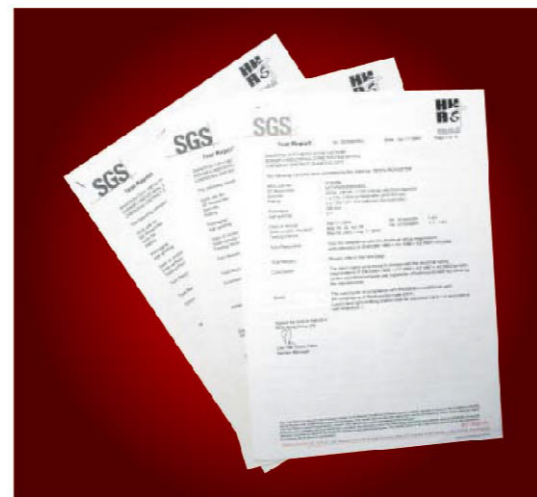

HETAI TOYS is always on the leading edge of technical, functional, and design trends. Our products are sold in all major stores all over the world. Come be a part of the HETAI TOYS family. Where safety, integrity, and product innovation come first, but fun is always the end result!
